CAR TESTING HERE BY APPOINTMENT

***with or without symptoms*
CALL 269.257.0463**

We have appointments available starting Monday May 18th here in the office for Covid-19 testing...with or without symptoms to be tested to see if you currently have the virus. Asymptomatic (without symptoms) testing is for essential workers.

Office Hours are Monday-Friday, 8am-5pm.

Call 269-257-0463 to schedule an appointment.

-If you are an employer please call and let us know how many employees you are needing to have tested so we can further discuss options.

-Please have your ID and Insurance available. There will be no copays or out of pocket expenses for the lab testing. If you do not have insurance, sliding fee is available for those without insurance. We are also able to do insurance enrollment through Medicaid.

-Test results are being given in approximately 5 days.

Thank you and stay safe,
