

New MOBILE HEALTH CLINIC IN YOUR COMMUNITY

COVERED BRIDGE HEALTHCARE has a mobile health clinic near you to assess and improve the health of you and your family.

For times when health concerns are urgent or unplanned, the Mobile Health clinic is available during the week in scheduled locations throughout the county. A Nurse Practitioner (NP) will make a brief assessment and recommend treatment options including follow-up care at your Primary Care Physician's office. Our Centreville Clinic and Bridge Healthcare Pharmacy are available to those who do not have a medical home. **Registering as a patient of Covered Bridge Healthcare gives families choices when seeking medical care.** In this uncertain time of Coronavirus infection, Covered Bridge Healthcare is able to provide COVID-19 testing.

Common reasons to use Mobile Health are:

COLD/FLU SYMPTOMS **UTI INFECTIONS**
RASHES **SPORTS PHYSICALS**
ABRASIONS **HEALTH RISK ASSESSMENTS**
PRESCRIPTIONS **ALLERGIES**
